

Corporate Sponsor

It is time for our 3rd Annual Wallace A Smith Elementary School Walkathon on Thursday, OCTOBER 30, 2014! The Walkathon is our primary source of funding to provide students with the best technology and equipment for a safe and modern learning experience. This year our goal is to earn enough to repair playground surfaces and expand all for safer play and expanded fun.

We need the help of local businesses to make this dream a reality for our school's children. We are asking for corporate/business donations to help us fund this event.
